Dear Sir/Madam,

END OF YEAR NEWSLETTER TO PARENTS/GUARDIANS

We give Almighty God all the glory and praise for bringing us to the end of the 2016/2017 session in which we witnessed tremendous advancement and pervading peace that has brought much joy and gladness. On behalf of our beloved Chairman, Chief Executive Officer, Board members, Staff and students, we lift up our hearts and hands in worship and abundant thanksgiving to our faithful and merciful Triune God for making this journey so fruitful and rewarding! We also would like to express our deep appreciation to you, our beloved parents for your unwavering trust and support throughout.

RESUMPTION

The Harvest term holidays begin today, Friday, 14th July, 2017. The new session beginning with the Genesis Term commences on Saturday, 2nd September 2017. Parents/Guardians should please ensure that their children/wards return to school on this day. Punctuality is an integral part of discipline and we look to our parents to help us reinforce this culture.

PROGRESS REPORT

Report booklets containing information about your child's progress and achievement are routinely given at the middle and end of each term. In this final term (Harvest), the cumulative average scores of work done throughout the session is used as the basis for promotion. We would like to strongly encourage our parents to be an active part of their children's academic life by going through their reports, notebooks and discussing their work with them.

GRADUATION 2017

Send-off activities for the 2017 graduating set of A level and O level students kicked off with a competitive soccer match between graduating students and the rest of the school. The match was memorable for the gallant manner in which both sides played and the emphatic score line (four nil). Next was the outing to the movie theatre (Ventura) followed by the Prom Night. The colourful and festive evening included an entertaining award ceremony, song and dance presentations, best dressed fashion parade, a bespoke three course meal and time for dance dance dance! The Grade 11 students left no stone unturned to ensure their seniors were honoured. CEO's dinner was next and Mummy CEO was at her gracious best welcoming the 2017 class personally to the exclusive poolside event and giving the right incentives that set the tone for a relaxed, funny and yet frank exchange amongst the class of their Lifeforte experiences. The food was sumptuous and music ramped up the excitement as they danced and enjoyed their final evening as classmates. The evening also provided the opportunity for members of management in attendance to see the school from the perspective of the students and interact 'unofficially' with them. Deep life lessons were learnt on both sides.

The highlight of the final week of the class of 2017 was the Valedictory Ceremony – a formal, academic celebration and day of reward for hard work, diligence, faithfulness, innovation and exemplary character. The ceremony was held on the 17th of June, 2017 and the school was honoured to have as Commencement Speaker, Dr Bright Okogu, (highly accomplished technocrat and Executive Director, African Development Bank) who attended with his amiable wife Rosemary. Ms Marniee Nottingham (British Council's Country Head for Exams) and Prof. James Olopade (Dean-Elect of the Faculty of Veterinary Medicine, University of Ibadan) were Special Guests of Honour at the elegant occasion whose distinguished audience also included our beloved Chairman and Chief Executive Officer of Lifeforte Organisation - Pastor and Dr (Mrs) Olubi Johnson, Engineer and Mrs. Okorie and Mr and Mrs Dotun Adeniyi - members of the Lifeforte Advisory Council, the latter two having a son graduate from the A level and O level class respectively.

After the powerful worship session and perfect ministration by the school orchestra, Dr Okogu in his speech inspired the class of 2017 and audience to 'Break New Frontiers' by cultivating a personal vision, pursuing it vigorously with passion and working hard to bring it (your vision) into reality. Our precious CEO, Dr. Sarah Johnson spoke to the audience about becoming 'solution providers' and using the Lord Jesus Christ as a model, identified three core characteristics required namely; truth (consistent sincerity), selflessness and limitless vision (that sees beyond itself). She also informed parents about the resoundingly excellent Top in the World and Top in the Country Awards obtained by eight students at the November 2015/June 2016 Cambridge examinations. Our beloved Chairman, Pastor Olubi Johnson highlighted the fact that the results could only be the result of divine endorsement and emphasised that we all ensure our vision is God-given. He also added that hard work is powered and directed by faith in the Mercy and Grace of God (from Dr Okogu's speech) before praying, in agreement with the CEO, for graduating students and their parents'. Mr Dotun Adeniyi and Mrs Bimbo Onakomaiya who delivered

Parents remarks recounted events that led to their choosing Lifeforte and their satisfaction with the spiritual and mental impact of the school on the lives of their children.

EARLY DECISION PROGRAMME (FAST TRACK ADVANCED LEVEL PROGRAMME)

This is a win-win entry path to the most prestigious universities in the UK, USA, Canada and Nigeria. The Lifeforte International Early Decision (ED) programme is an accelerated Advanced level programme which compresses the standard 2 year course into an 18 month academic course commencing in the 12th grade. The success of this programme is proven by our outstanding October/November AS results (please visit our website - www.lifeforte.org). Further benefits include:

- Instructional help in critical thinking, BMAT, UKCAT and LNAT exams
- United States SAT 1 & 2 classes
- Personalised support for application into Russell group universities in the UK, Ivy League universities in the US and top universities in Canada with whom we have established links.
- The rigour and exacting nature of the course provides adequate preparation for the demands of degree level work.

The ED class of 2018 is expected back in school on 1st August, 2017 to resume their academic schedule in preparation towards the AS examinations in October 2017.

We strongly encourage parents of Grade 11 students to consider this most rewarding option for their children. For more information, please contact us on 0805 705 7811 (Mrs. Ariyo), 0805 226 1433 (Mr. Babatunji Oduntan) or email us at lifeforte@lifeforte.com.

TOTAL ROAD SAFETY AWARENESS

The Federal Road Safety Commission, facilitated by Total Nigeria Plc, organised a three hour workshop to educate our students on safety principles on our roads. This laudable programme was interactive, with practical scenarios depicted forcing students to make choices and demonstrating the effect of such choices on their safety. Our students had a really good time and imbibed a whole lot. We hope to realise the ultimate aim of this project; raising a generation of Nigerian road users who are safety conscious. We say a big ‘thank you’ to the Commission and her representatives.

LIVING MERCY CHARITY FUN FAIR

Saturday 8th July was a date our students had memorized for weeks! It was the date of the annual charity fun fair organised to raise funds for the Living Mercy Voice Orphanage managed by the church. Coming up the day after exams ended, expectations were high and organisers did not disappoint! With token ticket fees, attendees at the Fair were able to access a wide variety of exciting activities such as film show, horse riding, video games, karaoke, trampoline, face painting, snooker, ‘guess the cake’s weight’, table tennis, ‘ring the bottle’ with and edibles such as Jollof rice, popcorn, pizza, ice cream, hotdog, shawarma, cup cakes, candy floss and drinks. Since Mummy CEO had instructed that each student be provided with a bundle of tickets worth N2,500, our students had a splendid time and were so reluctant to leave at the end. Thank you Mummy CEO for everything!

LIFEFORTE'S GOT TALENT 2017

We are in the sixth edition of this annual talent forum that enables our students showcase their God-given talent. The competition was keen across six categories and allowed fresh talent to burst on the scene and established names to raise the bar! The categories included **Song** (Rap, Christian and Contemporary), **Instrumentals**, **Poetry** and **Poem** recital, **Creative Art** (still life drawing, oil/acrylic painting), **Photography** and **Dance**.

In the dance category, BLVCK (an established male group) competed against a new two man dance team MXT and for the first time, an all female dance group! The dance routines were unique and well choreographed and kept the audience on their feet.

The song category was also quite exciting as Princewill Ganagana's powerful rendition in the contemporary genre won first place in the senior category whilst Sarah Ibrahim singing gospel clinched the junior category. The instrumentals was another close contest as Toluwase Ikubaje played the sax sonorously to seal first place although Jefferson Joshua stole the hearts of the audience singing sweetly as he played the box guitar. The photography competition was also quite encouraging given the creativity and skill displayed in the various photographs. Toni Ogunkoya's photographs proved to be the best.

Overall, it was an inspiring, enjoyable and highly entertaining afternoon (more details in appendix attached to this newsletter).

LIFEFORTE HARVEST GAMES 2017

The end of term Harvest games marked the grand finale of sporting events for the session and featured keen inter-house club duels in Basketball, Soccer (among boys) and Handball. The games were a huge success with tons of excitement and the welcome discovery of fresh talent! A summary of results is attached to this newsletter.
